

BARBEQUE FACILITIES - CONDITIONS OF USE FORM

The use of the barbeque facilities next to Building 2 is subject to the by-laws section 20 in SP82501 and the conditions detailed in this document.

Making a booking

- An owner or occupier of a lot wanting to use the barbeque facilities area must first make a booking with building management at least 72 hours prior to the hire time via email at management@rinaapartments.com.au.
- The area can only be used during the opening times currently 9.00am to 9.00pm as outlined in the by-law section 20.
- Prior to collecting the access key, a 'barbeque & amenities area - conditions of use form' must be completed and a \$50 security bond paid in cash to building management during office hours or with prior arrangement.

Collecting the key

- Once your booking has been confirmed (conditions of use form completed & security bond paid) residents will need to collect the barbeque facilities access key off building management during office hours or with prior arrangement. If you do not collect your access key during this time you will not be able to use the area. Building management will not attend site after hours to provide access.

On Commencement of booking

- Please look over the area to ensure it is clean and un-damaged. Unless you notify building management/security of any damage/untidiness, it will be assumed the area was taken in perfect condition and you will be expected to leave the area in such state.

Use of Tables

- There are three folding tables that can be used by residents. Please note that their use will incur a further \$50 deposit, which will be returned once Building Management has inspected the items.

On Completion of booking

- The area must be vacated by the designated time and cleaned thoroughly. If the area is cleaned insufficiently the security bond will be forfeited.
- Please ensure the barbeques are padlocked.
- If the function ends during building management office hours building management can be called to inspect the area. Outside these hours please lock the area and it will be inspected when building management is next on-site.
- Assuming there is no damage, and everything has been left in a clean & tidy state your security bond can be obtained off building management during office hours (or with prior arrangement) once the key is returned.
- Deposit must be collected within three months of booking date.
